Welcoming visitors with a National Art Pass

Our partnership with you and many other venues across the UK is essential to Art Fund. From free posters to other marketing materials for your front of house area or shop, we have material for you to share with your visitors to let them know you are part of the network.

[You can also download our brand guidelines and logos here](#) for use onsite and online to celebrate our partnership.

Our Art Guide leaflets are produced three times a year and are one of the many ways we can promote your exhibitions to hundreds of thousands of museum visitors. We would appreciate it if you could display these in your venue to help us.

How many shall we send you?

Please tell us how many you would like, minimum order 50

They also come with a handy freestanding leaflet holder, so please tell us if you need one.
